

JOB PROFILE TITLE	Staff Veterinarian – Rotating Internship - HEO5
JOB PROFILE ID	P_RS_SVE_HEO51601_CAT16793
JOB CATEGORY	Professional
JOB FAMILY	Research Animal Welfare Veterinary Support
COMPENSATION GRADE	HEO5
MANAGEMENT LEVEL	19 Individual Contributor

JOB PROFILE SUMMARY

The main purpose of this position is to provide best-practice veterinary services in small animal practice to first-opinion and referral clients of the UVTHS. The successful applicant will be supervised by the head of Emergency and Critical Care and by the Hospital Director, and will provide close supervision of clinical year veterinary students rotating through the service.

DECISION MAKING AND DELEGATIONS OF AUTHORITY

Post graduate interns have a responsibility for diagnosis, treatment and management of after-hours cases admitted to the UVTHS. Post graduate interns will work on referral services in medicine, surgery, anaesthesia and diagnostic imaging under the supervision of a senior clinician who will delegate responsibility for certain aspects of patient management. Post graduate interns report to the unit head of each service for the associated cases. Post graduate interns also report to the Clinical Director and to the CEO.
